

Comfortable elegance overlooking the Bear Den golf course. Built by Jack Hartsell, this stunning 10,650 sf home combines formal areas with family living, including a fabulous 900 sf gourmet kitchen/informal dining/family room, two dens, and a game room. Spacious master suite on main level includes exercise room and home office; seven bedrooms upstairs feature en suite baths. High ceilings, generous moldings, premium finishes, and attention to details are found throughout; these include a spectacular spiral staircase in the entry foyer and five fireplaces. The home's extensive porches offer gorgeous views of the pool, pool house and golf course. There is also 1800 sqft of unfinished space above the five car garage.
